County of San Luis Obispo

TO: Board of Supervisors

FROM: Emergency Services / Ron Alsop 781-5011

DATE: 10/4/2016

SUBJECT: Request to Terminate the Proclamation of Local Emergency related to the Chimney Fire. All Districts.

RECOMMENDATION

It is recommended that your Board approve and instruct the chairperson to sign the "Resolution Proclaiming the Termination of Local Emergency Related to the Chimney Fire."

DISCUSSION

On August 23, 2016, your Board ratified the Proclamation of Local Emergency made on August 20, 2016, by Dan Buckshi, County Administrative Officer and Emergency Services Director, in response to the Chimney Fire.

Section 8630 of the California Government Code and County Code section 2.80.070(2) states that the Board of Supervisors shall review, at least every thirty days until such local emergency is terminated, the need for continuing the local emergency and shall proclaim the termination of such local emergency at the earliest possible date that conditions warrant. On September 13, 2016, the Board of Supervisors reviewed the need to extend and continue the Proclamation of Local Emergency. Due to the continuing response and recovery efforts by many jurisdictions and agencies throughout the county, the Proclamation of Local Emergency related to the Chimney Fire remained in effect.

Due to the recovery efforts to date and your Board's resolution of September 13, 2016, waiving building and related fees, the reasons for continuing the Proclamation of Local Emergency have passed. There is no longer an immediate threat to the public health and safety to the degree that the Proclamation of Local Emergency remains necessary. Consequently, the County Office of Emergency Services (OES) is recommending the Board approve and instruct the chairperson to sign the related "Resolution Proclaiming the Termination of Local Emergency Related to the 2016 Chimney Fire."

Approving this request and signing the related resolution will result in the Proclamation of Local Emergency terminating at 11:59 P.M. on October 4, 2016.

Terminating this proclamation will have no effect on the Governor's Proclamation of a State of Emergency for our county.

OTHER AGENCY INVOLVEMENT/IMPACT

County Counsel has reviewed the Resolution Proclaiming the Termination of Local Emergency Related to the 2016 Chimney Fire.

FINANCIAL CONSIDERATIONS

There are no costs related to this request.

RESULTS

Allowing the termination of the Proclamation of Local Emergency will ensure the county is in compliance with County Code Title 2, Chapter 2.80.070. While there are no direct results from terminating the Proclamation, other than meeting the above requirement, the Proclamation itself did result in allowing county resources to be used as effectively as possible during the time it was in effect, thus helping to ensure prompt and coordinated initial response and recovery efforts.
